

# FALL 2021 SEASON

## IN-HOUSE FIELD TRIPS

### DOT & ZIGGY

Dot and Ziggy may be neighbors, but they aren't yet friends. After all, what could a ladybug and a skunk possibly have in common? One likes up, one likes down. One flies, one runs. But neither of them know how to share. With the help of a wise spider, and the encouragement of the audience, they might just find their way. BCT is thrilled to be offering a new series of shows specifically for our youngest audiences featuring engaging, interactive, immersive experiences for early learners!

UPDATE: Wednesdays - Fridays @ 9:30am • August 26 - September 17, 2021  
Great for Pre-K & Kindergarten

### RUFF!

A "tail" of two shelter dogs: Axel is rough and tumble, Buddy is friendly and eager. Axel knows his way around the kennel, while Buddy is unsure in this new environment. Seemingly two dogs from two different worlds, can they find a way to work together to find a new home? Ruff! loveably tackles themes of identity, self-esteem and confidence, friendship, and the challenge of stepping forward without fear.

Thursday & Fridays @ 10:00am • September 23 - October 29, 2021  
Great for K - 3rd Grade • Also available for tour (see reverse)

### A CHRISTMAS CAROL

Andrew and his family decide to spend Christmas at their Aunts' country cottage in a bid to drag their brother out of his "Bah, Humbug" Christmas feeling. The house, however, has ideas of its own in this wonderful retelling of Dickens' timeless classic. When a power cut threatens to ruin their 'grown-up' family Christmas, they decide to tell each other one of the most well known Christmas tales which, with the magic of the season and Hulse's wonderful storytelling style, brings out the inner child in all three siblings and fun is all that can be had.

Tuesdays - Fridays @ 10:00am • December 1 - 17, 2021  
Great for 2nd Grade and older

## ZOMBIE THOUGHTS

We are in a video game. It is also life. Sam and Pig are avatars in the video game Zombie Thoughts. Armed with just a book, a rubber chicken, and the help of the audience, they try to overcome Sam's anxiety and defeat the monsters the evil Machine throws at them. The only path to victory is if students make a series of choices that help Sam and Pig learn empathy for each other.

*Great for 3rd grade and older*
